MAKE YOUR OWN CHAMPANGE

HATT et SÖNER's unique concept called Personal Vintage (PV), gives the customers the opportunity to create their own bespoke Champagne. There is no other champagne house in the world that allows this to date and HATT et SÖNER have just finished building the most modern micro production facility in the world to use in this project. The facility is only open as a private membership house to the PV clients or by personal invitation.

The winning bidder will have the opportunity to create 50 unique bottles Champagne as well indulge in a once in a life time visit at the champagne house HATT et SÖNER in Bergères-les-Vertus, France. This voucher includes accommodation for two for two nights, Lunch/dinner with the family and consultation with the winemaker.

HUMANS SINCE 1982

www.humanssince1982.com

Both a kinetic sculpture and a functioning clock, ClockClock 24 is developed from an original Humans since 1982's art project - The Clock Clock. Its hands veer from unpredictable, mechanical spinning, to perfect, synchronised alignment; visually representing the abstract concept of time, and reporting real time.
